1) In the reorganization scheme it is has been decided to ~~trans~~ fix the pay of Sergeants at Rs 15 & Rs 18 and to have 4 grades of Constables on Rs 8, Rs 9, Rs 10 & Rs 11. According to the D.G.'s note referred to above there should be 15 additional Sergeants on Rs 16. According to the revision scheme they should be given Rs 18. Thus there will be an increase of Rs 2 per mensem for each Sergeant. The pay proposed for Constables tallies with the scales under the revision. The local allowance also remains unchanged. Therefore the additional cost under the revision scheme will be Rs 360 per annum more than that proposed by the D.G.P i.e. the extra recurring expenditure would be Rs 6004 (proposed by the D.G.) + Rs 360 or Rs 6364 per annum.

4.	Augmentation of Police in the Gold Fields	The Mining Companies have been representing for a long time (since 1914) that patrol is in-sufficient & therefore some additional police may be employed for the purpose.	At the last Session of the Representative Assembly it was said that representation of the Companies on the Subject would be considered and orders would be issued before the end of March 1918. The present D.G of Police has sent proposals involving a cost of Rs 6000 per annum. These proposals may be considered.	The D.G of Police The Asst Secy Branch III	20th April 1918
8.	Police Jurisdiction on the K.G.F. Railway.	It would be of very great convenience if the K.G.F. Police is, as before, placed in charge of the Gold Fields Police	The D.G of Police is inclined to support the request of Mining Board. This is very small matter of administrative readjustment and the request of Mining Board may be sanctioned.	The Chief Secretary.	30th April 1918.

Final Note by the First Member of Council.

Subject:—

Augmentation of the Police Force on the Kolar Gold Fields.

From 1914 the Kolar Gold Field Mining Board have been repeatedly urging in the Representative Assembly the question of augmenting the Police force on the Kolar Gold Fields with a view to provide for better patrolling of the residential portions of the Mining area. But the request of the Board could not be complied with earlier for financial reasons.

The Inspector General of Police thinks that some additional force is necessary for the due discharge of the police duties on the Kolar Gold Fields. He therefore proposes to reduce the number of Head Constables by 7 and to increase the number of Sergeants by 15 and the number of constables by 30. These proposals involve an annual extra expenditure of about Rs.4,989 and it is proposed that the cost during the current year should be met out of the provision of Rs.95,000 made for the revision of the Police Department.

The Second and Extra Members of Council are agreeable to the proposed increase. I recommend that sanction may be accorded to it.

Sir,

With reference to your office docket No.J.3873/Police 122-17-3 dated the 22nd March 1918, stating that the proposals for the augmentation of the Kolar Gold Fields Police may be submitted, basing them on the existing scale, I have the honor to forward herewith a statement in duplicate, showing the existing and proposed establishments, involving an extra expenditure of Rs.6,249/- per annum, and to state that in consultation with the Superintendent of Police, Mr. S. M. Pritchard, I have reduced the present number of Head constables by 7 and increased the number of Sergeants from 6 to 21, thus providing for 8 more petty officers for supervision of patrols and beats against 12 officers (1 Head constable and 11 Sergeants) provided for in Dewan Bahadur Mr. Srikantesvara Aiyar's scheme of the 1st February 1916. Likewise I have provided an increase of only 30 constables against 36 previously proposed. The increased expenditure will amount to Rs.6,249/- per annum as against Rs. 9,716/- according to the previous proposal. The above is I think the minimum additional force required for the efficient performance of patrol and other duties devolving on the Police in

this busy area and I request that you will be so good as to obtain the sanction of Government therefor as early as possi
